Wearable Tech + Customized App

## What Moves You? Experience the Reflex.

### Start a wellness program you can keep.

FitIncluded's Reflex is designed for everyday life and everyday people. Rather in an office building or a family household, our Group feature will help brand your logo, get everyone involved, and create a Corporate Wellness Program like no other. Here are 8 places you can customize the app:

- Integrate a logo menu bar
- Change the background image as often as needed
- First on the leaderboard icon
- Second on the leaderboard icon
- Third on the leaderboard icon
- Outside of the top three icon
- Customize the "About Us" page
- Custom splash page when you open the app
